

TESTIMONIALS...

"I just wanted to tell you how much we enjoyed our vacation at Tower Manor. It was the most enjoyable, relaxing week we have had in a long time. The cottages were fabulous, and we sure enjoyed the luxury of air conditioning, satellite tv and the internet. The property was well taken care of and the pool was never overcrowded and a pleasure to sit around. All of your staff are so friendly and accommodating. Thank you so much and we look forward to coming back again next year!"

"Previously stayed!! And I must add we had a wonderful week and will definitely return. The resort is beautiful and cottages very comfortable...our families thoroughly enjoyed our stay. So with another week of holidays ahead of us we wondered if you had either cottage 7 or cottage 10 (trailer) available for the above week..."

Janice P.
